“Advocating Excellence”

The 2nd Annual Trivia Night was held on September 23, 2017. This event was sponsored by Superintendent Alan Boucher and the teachers of Sherrard Unit #200 Schools.

This event is held to benefit the programs of the Sherrard Academic Foundation. This year’s event raised approximately \$1,600. All proceeds help support the Foundation’s Classroom Grant program and student scholarships.

This year there were 14 tables with 112 participants. The Sherrard Academic Foundation would like to thank everyone who participated in this fun night, including the 16 members of the Hutchins family who were in attendance. A special thanks to Chris and Jan LaRoche for donating their time to be the hosts of this event, to the principals and teachers who came and played trivia, and to Alan and Sanya Boucher for donating game prizes.

Start getting your team together for next year’s event.
