

Sherrard Academic Foundation

“Advocating Excellence”

Our mission is to administer resources that maximize individual excellence in partnership with the Sherrard School District.

Board Member Application

Thank you for your interest in serving an integral role in promoting academic excellence and education for the children attending Sherrard Schools. Board members work closely with the Sherrard School District to plan the strategic direction of the organization, generate funding, provide expertise as needed, and generally facilitate the work of the Sherrard Academic Foundation.
